

QUALITY POLICY

"The Management of the Company and all its employees are committed to the quality of our products and stated quality objectives.

We will maintain a quality management system and are committed to meet the requirements of the ISO 9001:2015 standards;

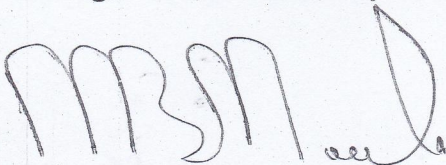

We will continually improve the effectiveness of our management system;

The management will periodically review the performance of the management system and our quality objectives.

This quality policy is regularly communicated to our employees and our customers, reviewed by the management for its continuing suitability;

We will maintain a profitable operation to establish our competitive position in the market.

The prime responsibility for implementing this policy lies with the General Manager and those in supervisory position."
