

QUALITY & ENVIRONMENTAL POLICY

“The Management of the Company and all its employees are committed to the quality of our products and stated quality and Environmental objectives.

We are committed to abide by the dictates of ISO 9001:2015 & 14001:2015 standards;

We are committed to protect the Environment / mitigate the effects of our core business , that might degrade the Environment around our facility.

We will continually improve the effectiveness of our Quality and Environmental Management system;

The management will periodically review the performance of the management system and our quality objectives.

This quality policy is regularly communicated to our employees and our customers, reviewed by the management for its continuing suitability;

We will maintain a profitable operation to establish our competitive position in the market.

The prime responsibility for implementing this policy lies with the General Manager and those in supervisory position.”
